Sub: Allocation of Seed Minikits under National Mission on Oilseeds and Oil Palm (NMOOP) for Kharif 2017.

Sir,

Minikits are meant for introduction and popularization of newly released / pre-released varieties/hybrids not older than 10 years among the farmers free of cost. The Central Agencies have to deliver the allotted minikits to the destination identified by the beneficiary States within the stipulated time. It is therefore, requested that States should inform **NSC, KRIBHCO, NAFED, HIL and IFFDC** about the quantity of seed which is to be delivered to each identified destination in the respective beneficiary States as per the allocation on an urgent basis under intimation to this Department.

The State Governments and Agencies should ensure the following:

1. For better monitoring and visible impact, minikits need to be allocated to all farmers in contiguous area of at least 25 ha for soybean and groundnut and at least 10 ha for other oilseed crops.
2. The cut off dates of delivery of the seed minikits consignment by the Central Agencies and States to reach the destination is **30th April, 2017 for kharif season.** The State Government should acknowledge the receipt of consignment from the central agencies with name, designation, seals of the Department of Agriculture and hand over the same to the representative of the central agencies so that they may submit their bills to the Division for re-imbursement of the cost payable to them.
3. The required leaflets on cultural practices should be kept in the seed minikit alongwith *Rhizobium*/PSB culture wherever it is required in the respective seed packet of minikits. The cultural practices should be printed in Hindi, English and local languages for the respective states.

P.T.O.

4. The quality of seed minikits should be ensured by the Central Seed Agencies before dispatching to the states and the seeds should be treated with appropriate fungicides.
5. The agencies should deliver the consignment upto District headquarters level of the respective State Governments, beyond which the distribution of seed minikits should be taken care by the State Department of Agriculture.
6. States should issue timely submission of Progress Report on the supply of seed minikits to this Department and Directorate of Oilseeds Development, Hyderabad.

In addition to the above, proper utilization of minikits should be ensured by the beneficiary States. Further, all records including the list of the beneficiaries, results of minikits demonstrations, farmers' views etc. must be maintained correctly for verification from time to time.

Yours faithfully,

(Dr. Anupam Barik)
Additional Commissioner (Oil Seeds)

Encl. As above

Distribution:-

1 **The Chairman cum Managing Director/Managing Director, NSC /HIL/ NAFED /KRIBHCO/IFFDC, New Delhi** for information and necessary action. It is directed that Central Seed Agencies should strictly ensure that the seed is treated and separate packets for seed treatment are not kept. The package of practice should be printed legibly and provided alongwith each bag of minikit. Agencies should ensure the supply of minikits as per allocation.
2. Assistant Director General (O&P), ICAR, Krishi Bhawan, New Delhi.
3. The Director, Directorate of Oilseeds Development, Hyderabad for information and monitoring of minikit supply and its implementation and submission of fortnightly report to this Department.
4. Director (Oilseeds)/ Dy. Secretary (Fin.) /Consultants (OS)&(CA)/ Dy. Commissioner (Seeds), Shastri Bhawan/ Under Secretary (OS)/, Asstt. Director (OS/Cordn.) and SO (CA-II).
